## What is ZOOMFEST?

Zoomfest 7 is an annual student film competition for high school students in BC. Filmmakers have 48 hours to plan, shoot and produce a finished film. During these tension packed 48 hours students will conceptualize, write, shoot, edit, post and drop-off their six-minute film to be judged by BC industry professionals. Zoomfest films are a true look into today's youth culture. Last year there were 110 films from 38 schools.

## How does it work?

At exactly 5:00pm on November 3rd, 2006, the theme and a prop will be announced on our website ([www.zoomfest.com](http://www.zoomfest.com)). Filmmakers will then have 48 hours to complete their film. The deadline for delivery is Sunday 5:00pm November 5th, 2006. Any school who enters 3 or more teams can apply to be a designated drop-off point. All schools wishing to register their school as a drop-off location must register for this by October 31st. All drop-off locations will be listed on the website.

## Who can participate?

The contest is open to all national and international students who are currently attending a BC high school.

Junior Category is grades 7-10

Senior Category is 11-12

Each team can have a maximum of 7
